93
POINTS

The **Gunsalus Vineyard Pinot Noir, Dijon Clone 114 - Méthode Ancienne** is beautifully made, with expressive aromatics of wild strawberries, spring flowers, followed by hints of damp soil, caramel, fresh minerals and exotic spices. The elegant, silky texture is gorgeous, with layers of red berries, mineral and spice flavors expanding seamlessly into the long finish. This an absolutely delicious and well-crafted Pinot Noir which should continue to provide pleasure as it evolves over the next decade. Only 46 Cases made. Drink: 2019-2028.
