

TALISMAN

2013

Wildcat Mountain Vineyard

Pinot Noir

Sonoma Coast

This Pinot Noir from Talisman comes from the Wildcat Vineyard, located on the western edge of the Sonoma Valley. It opens with gorgeous aromas of dark cherry, ripe raspberries and black fruit along with spices and dried violets. On the palate there is a mix of alluring savory nuances along with ripe red fruits. This is beautifully structured and balanced with velvety tannins backed by a lovely touch of acidity as it heads into the seamless finish. Impressive now and should continue to improve with additional bottle age. (Best 2017-2027) – MD
