From a vineyard that's less than one acre in size, this special bottling is tiny but mighty, juicy in blue and red fruit. Robust in spice, it unleashes a velvety texture with ease, allowing room for focused tannin to be supportive rather than distracting. The finish retains a welcome freshness. – *Virginie Boone*

This is the producer's first release from this site. It succeeds wildly with its juicy, tart flavors of cranberry and red cherry that become fleshy and concentrated on the palate. Complex and delicious, it finishes with a thickness of toast and black tea. – *Virginie Boone*

Deep black plum and black cherry flavors lend fruit concentration to this full-bodied and mouth-filling wine from a tiny hilltop appellation in Mendocino County. Its dark fruit flavors are quite ripe but not sweet, and a good wrapping of fine-grained tannins supports the richness very well. – *Jim Gordon*
