

International WINEREPORT

MAY 2019

This Pinot Noir from Talisman comes from the clay loam soils of the **Adastra Vineyard** in Carneros. It has a beautiful light red color, with aromas of cherry, strawberry, black olive, loam, and violet. The palate is soft and elegant, with great purity and focus with a beautiful mix of red fruits mixed with earthy flavors. This can certainly benefit from some air contact or 1-2 years of age before it hits its stride. Drink this beauty over the next decade plus. (Drink 2021-2029) – *Mike D'Angelo*
