

The **2015 Weir Vineyard Pinot Noir** is yet another delicious offering from Talisman in 2015. It opens with beautiful aromas of wild black cherries, red currants, raspberries, leather, fresh mint and damp earth that all emerge from the glass. Medium-bodied with wonderful elegance, finesse and balance. It continues to impress as it displays pretty characteristics of red fruits, earth and berries which all carry over onto the soft finish. Quite appealing today with some extended air contact, however it will also benefit from a couple more years of bottle age. (Drink 2021-2029) – *Mike D'Angelo*
