Gunsalus Vineyard

Pinot Noir

Russian River Valley

The Gunsalus Vineyard Pinot Noir offers an attractive bouquet of strawberries and red currants along with a combination of exotic spices, forest floor, saffras and a dusting of dark chocolate.

Silky smooth on the mouth, the wine has layered flavors of red berries, cherry, and dried spice continue to expand through the wine. Overall, this is a gorgeous Pinot Noir that is elegant, refined and delicious in its youth, it should also age beautifully.
