**Russian River Valley**

**Pinot Noir 2000**

Big, rich style with lots of really interesting nuances, but **the thing I really like about this wine – and Scott Rich’s wines in general – is the silky texture.** Fruit for this wine came from **Klopp Vineyard** in western Russian River Valley.

*Pinot Noir CARNEROS 2000*

Big and full with lots of deep red cherry fruit; long finish, **Scott Rich always makes a silky yet powerful Carneros Pinot** – this bottling comes from the **Truchard Vineyard**. Give it time in the glass and it will deliver!
