## MAKE ROOM IN THE CELLAR!

---

***"Complex and worth the wait..."***

### **Talisman Cellars**

#### ***Pinot Noir Sonoma Mountain Red Dog Vineyard 2005***

---

Medium-deep ruby color; tight, bit closed, but with dark berry and spice notes; rich, deep and complex though a bit closed; dark cherry and earthy spice notes; some tannin and toasty oak; good structure and balance; long finish. A complex, big style with a lot of interesting indications below the surface that with some time this will bloom into a terrific wine.
