## 2017 Destein Estate Pinot noir Bennett Valley

*Talisman Winery is dedicated to the crafting of exquisite, soulful Pinot noirs that are true to their roots and accurately reflect the terroir and personality of their vineyard origin.*

### About the Talisman Logo

The Talisman logo is a stylized representation of a Native American medicine wheel. The elements of the medicine wheel represent the circle of life and the four directions, reminding us of our place in the universe. The rays around the medicine wheel represent the sun, which provides energy for life on Earth and ripens grapes, allowing us to revel in the pleasures of life, including fine wine.

### Vineyards and Winemaking

The Destein estate vineyard sits on a west-facing slope in isolated Jamison valley at the east end of the Bennett Valley AVA. It takes the brunt of cool air flowing through the Petaluma Gap from the Pacific Ocean, allowing ample flavor development through generous hang time resulting from cool growing season temperatures. The vines are small, with a great natural balance and small fruit load that is the result of scanty, non-vigorous soils.

2017 started with a wet spring, encouraging healthy vine growth and required diligent canopy management. We enjoyed mostly mild daytime temperatures and cool nights throughout the summer season, then found ourselves in a labor day heat spike, though it had little effect on the fruit, allowing us time to pick at optimal ripeness. Thankfully all our Pinot Noir had been harvested and was happily fermenting in the winery when the crazy October fires swept through the area.

We picked the grapes at Destein Vineyard on September 14th. The stems were well lignified, so we included nearly 25% as a whole cluster component. The grapes were sorted and the rest destemmed, then rested until an ambient fermentation took off about a week after harvest. The fermentation, along with frequent punch-downs, went to completion a week later, when the fermenter was sealed up for an extended maceration. About forty days after picking, the tank was drained, the remaining grapes were pressed, and the wine was barreled, using barrels from five different coopers to help add layers of complexity; we selected barrels from all five of our favorite coopers to help create complexity: Marcel Cadet, Remond, François Frères, Dargaud et Jaeglé, and Rousseau. Malolactic fermentation occurred in barrel. The wine remained unracked until just before blending and bottling.

### Tasting Notes

The bouquet is beautifully enchanting with notes of brambly blueberry and cranberry compote, pine bark, clove and holiday spice. On the palate this wine is taut and firm with mouth coating silky, fine-grained tannins, accents of mineral, redwood, vanilla, raspberry, red currant and cassis. Tart and cheerful, this Pinot has a long life ahead.
