

TALISMAN

2015 Weir Vineyard Pinot noir Yorkville Highlands

Talisman Winery is dedicated to the crafting of exquisite, soulful Pinot noirs that are true to their roots and accurately reflect the terroir and personality of their vineyard origin.

About the Talisman Logo

The Talisman logo is a stylized representation of a Native American medicine wheel. The elements of the medicine wheel represent the circle of life and the four directions, reminding us of our place in the universe. The rays around the medicine wheel represent the sun, which provides energy for life on Earth and ripens grapes, allowing us to revel in the pleasures of life, including fine wine.

Vineyards and Winemaking

Planted in 1992, the Weir Vineyard is our most far-flung vineyard. Located in the Yorkville Highlands between Cloverdale and Mendocino, the vineyard's elevation (850'-1000') and aspect place it squarely in the path of cold air flowing in from the Mendocino coast, a mere 17 miles away. The 15 acre vineyard incorporates several soil types, including gravels, highly fractured rock and old sandstone. The topsoil is thin, limiting vine growth and vigor, while promoting concentration in the resulting wines.

2015 was the fourth year of drought in California; the lack of winter rains so many years in a row resulted in very scant yields and thus, considerable concentration in the fruit. Weather during the growing season was wonderfully mild. Harvest was the earliest and fastest in recent memory.

We picked the grapes at Weir Vineyard on September 2nd. The stems were well lignified, so we included nearly 25% as a whole cluster component. The grapes were sorted and the rest destemmed, then rested until an ambient fermentation took off about a week after harvest. The fermentation, along with frequent punch-downs, went to completion a week later, when the fermenter was sealed up for an extended maceration. About forty days after picking, the tank was drained, the remaining grapes were pressed, and the wine was barreled, using barrels from five different coopers to help add layers of complexity; we selected barrels from all five of our favorite coopers to help create complexity: Marcel Cadet, Remond, François Frères, Dargaud et Jaeglé, and Rousseau. Malolactic fermentation occurred in barrel. The wine remained unracked until just before blending and bottling.

Tasting Notes

This is such a pretty wine; so complex and focused, yet hedonistic as well... Perfumey aromas of red plum, berries, orange peel and cardamom are pronounced, and complement the luscious flavors of Rainier cherry, raspberry, stone fruit, mint and rose petal. This wine is deep yet delicate, airy and fresh with astounding grace and complexity; it is complete.

Details

Vineyard planted in: 1992

Elevation: 850-1000

Vine density: 908 vines per acre

Clones/selections: 2A, Pommard, Romanée-Conti, Rochioli

Rootstock: 5C

pH: 3.67

Titrateable acidity: 5.6 g/L

Alcohol: 14.1 % by volume

Yield: 2.8 tons of grapes per acre

Barrel aging: 19 months, 55% new French oak

273 cases produced
