About the Talisman Logo

The Talisman logo is a stylized representation of a Native American medicine wheel. The elements of the medicine wheel represent the circle of life and the four directions, reminding us of our place in the universe. The rays around the medicine wheel represent the sun, which provides energy for life on Earth and ripens grapes, allowing us to revel in the pleasures of life, including fine wine.

Vineyards and Winemaking

Pamela and Glen Gunsalus (“gun-say-lus”) are always in their vineyard providing the best fertilizer available; their footsteps. Gunsalus vineyard is located on a west-facing slope in the Green Valley of Russian River Valley appellation. These two former researchers have great intuition backed up by scientific rigor and it shows in the quality of their grapes.

2016 was a wonderful growing season after a winter with a bit more rain than the last five years. We enjoyed a mild spring and consistent warm weather continuing throughout the summer. The crop was beautifully balanced giving us elegant, flavorful mouthfilling Pinots with fabulous texture.

We produced this wine from a single barrel of wine made from Dijon Clone 667 grapes. The wine was made in a one ton bin and included 25% whole clusters in the bottom of the fermenter. The balance of the fruit was destemmed without crushing the berries. The must was gently punched down by hand and fermented by feral yeast. When the fermentation finished, the bin was sealed up for an extended maceration. Thirty-eight days after picking, the bin was drained, the grapes were pressed, and the wine was aged in a new French François Frères barrel with tight grain, medium toast and staves aged for three years.

Tasting Notes

Such a beautiful deep dark garnet hue... a hint towards the heady aroma of cherry cream, marionberry, spiced pomegranate purée and huckleberry with a just a whisper of rose petal and baking spice. The amazing creamy, silky, unctuous texture accompanies deep intense flavors of black plum, raspberry, ripe apricot, orange peel and rhubarb pie. A trace of cedar and mineral add to the complexity, then stretch out to a long, lush, luxurious, lingering finish. It’s such a shame that only 23 cases were made!
