

TALISMAN

2016

Wildcat Mountain Vineyard

Pinot Noir

Sonoma Coast

The Wildcat Mountain Vineyard Pinot Noir from Talisman opens to beautiful aromas of wild strawberries and dark cherries which are woven together with intense florals, spices and damp forest floor that all come together and jump from the glass.

The fruit shows remarkable purity and is simply delicious. It is beautifully balanced with lovely acidity and red fruits flowing into the long finish. This is fantastic now, and it will certainly continue to age gracefully over the next decade. Drink 2020-2030
