WINEREPORT

JUNE 2022

This Pinot Noir comes from Huckleberry's Vineyard, which is located in the Green Valley of the Russian River Valley. It is one of their smaller production wines with just 92 cases produced.

There are lovely aromas of ripe raspberries, cherry, clove, wild herbs, lavender and a hint of vanilla bean. On the palate this has delicious flavors of muddled red berries, spice, and wild herbs. It is silky smooth with an elegant finish that leaves you wanting more.

Drink over the next 8-10 years.
—M. D'Angelo
